Dear Parents and Carers

This past fortnight has been a true showcase of the absolute unquestionable talent of our students at La Perouse Public School and it is with enormous pride that I write to you.

Last Friday the Eastern Suburbs PSSA Athletics Carnival was held and from this event, 5 of our students have made it through to the Sydney East Regional Athletics Carnival at Homebush. Congratulations to all students who competed, but in particular to the following students and the events that they will be competing in at the next round.

Byron Brown-Yeo - boys 11yr old shot put
Kiani Duckett - girls 8yr old 100m
Iesha Duckett - girls 11yr old shot put
Tymekwqa Duckett - girls senior shot put (Tymekwqa broke the record for 2nd year in a row!)
Tymekwqa Duckett - girls senior discuss
Riley Foster - boys senior long jump

Parents, this is the largest group we have ever taken to the zone carnival and NOW, the largest group of students going to compete in the regional carnival. The next level is state, so we have our fingers crossed that we can advance some of our students to this elite level.

What an amazing performance also from our students on Tuesday night during Bondi Showcase! I was so proud watching everyone dance with such enthusiasm and confidence and I want to congratulate every single child on a truly amazing effort.

Thanks must also be extended to the Kool Kids Volunteers who choreographed the dance and to all staff who helped out on the night and in the lead up to the event. This was a mammoth task for our entire community and I hope that all parents enjoyed the performance and are as thrilled as I am with the outcome.

Once again, congratulations to everyone – our children’s success is a result of an entire Community’s efforts!

Thank you.

Dace Elletson
Principal

As you may or may not know, Mrs Park (Bev) has an unwanted ‘friend’ in Parkinson's Disease. On 31/08/2014. Bev and other staff members will be walking to raise money and awareness of the cause. If you’d like to donate and support her in her walk, please go to the following address. Every little bit counts!

In chatting with members of the community, I hope parents that you’ll continue to spread the good word of our school and its ongoing achievements. We may be little in number, but we are big in heart and skill. We are now enrolling students for the 2015 school year. If you know of anyone wanting to change schools or to enrol a student, please ask them to contact me so that I can meet with them in person.

Once again, congratulations to everyone – our children’s success is a result of an entire Community’s efforts!

**RADICAL READER**

**Name:** Leanne  
**Class:** Gurawaa

Our radical reader of the week is Leanne Figueroa. Having begun Kindergarten this year, Leanne has already reached her end of year reading target! We are looking forward to Leanne achieving new and higher goals.

Well done Leanne!

**Buriburi**

Buriburi have been thoroughly enjoying the swim scheme at Des Renford Leisure Centre. The students have been learning to refine their swimming techniques as well as important water safety strokes.

Congratulations to our students who have made it through to the Regional Athletics Carnival. Kiani, Iesha, Tymekqwa and Riley all came first in their events, with Tymekqwa breaking the shot put record for the second year in a row. Byron also came 2nd in shot put and will be going on to the next carnival at Homebush.

This is the largest group that we have taken to both Zone and Regional and we are very proud of their achievements!

A special thanks also goes out to everyone who participated in ‘Lazy Day’ to help fundraising for the leaving year 6 class.

---

**SCHOOL LUNCHES**

Students need to bring lunch every day unless they are ordering from the canteen.

---

**REMINDER**

The Read-a-Thon is happening NOW—Please sponsor your child and encourage them to read EVERY NIGHT!

---

**Girawaa**

Girawaa class has been learning about 2D and 3D shapes. We made prisms and pyramids out of triangles and squares. We looked at how the environment has different 3D shapes in it by using signs and symbols.

We have been learning about how grass grows. We made grass heads by using sand, seeds and stockings. We waited for about 7 days for them to start growing.

For our grass heads to grow they needed heat, water and air.
Parents, Preschools and Pre-Schoolers are invited to attend:
