Shaun Ninyo

Bachelor of Education (Physical and Health Education)

Classroom Teacher – Daringyan

Shaun is our newest member of staff and his passion, dedication and work ethic are second to none. Before arriving at La Perouse Public School in 2014, Shaun was teaching at Wairoa School for Specific Purposes and before that he was at South Coogee Out of School Hours Centre where he was a valued team member.

When asked why he loves working at La Perouse Public School, Shaun says:

“The main reason I love working here is that students have made massive progress already and I love to see their enthusiasm and pride when they learn something new. I love seeing their happy faces when you praise and encourage them and I can’t wait to compare progress from the beginning of the year to the end.”

Shaun is a highly skilled, enthusiastic teacher who is developing outstanding partnerships with parents. He engages students in the learning process through specific target setting aligned to carefully developed Personalised Learning Plans.

Shaun is an avid traveller, having recently spent 6 months overseas. He cites this experience as being one of the best of his life and brings the best of this world knowledge to students on a daily basis. Shaun is also skilled in OzTag, which he plays at a representative level.
