Yvonne Clarke

Diploma of Education

Mentor Support Teacher

Yvonne has over 20 years experience as a Primary School Principal. In 2009, Yvonne joined the La Perouse Public School staff as a Mentor Teacher through National Partnerships, an initiative funded by the then Labor Government. Yvonne has supported our staff in programming, planning, assessment and benchmarking in line with the Quality Teaching frame-work and Department of Education curricula. Yvonne currently supports Shaun Ninyo and the Daringyan class as a mentor teacher.

When asked what she loves about La Perouse Public School, Yvonne says:

“I love the sense of family in a strong community and one in which social capital is built through joint decision-making partnerships. The students are central to all decisions that are made and it is exciting as a professional educator to work with such a dedicated team. I am proud to be part of the school’s growth in student achievement and well-being.”

Yvonne loves travelling and looks forward to returning to Italy and Greece, her favourite places. She is also passionate about cooking and the staff love her Sticky Date pudding.
